SYSTEM

# ADVANCED PLACEMENT SUMMER INSTITUTES

With an initiative to increase the number of Advanced Placement (AP®) teachers in the state of Illinois, the University of Illinois System will be hosting two Advanced Placement Summer Institutes (APSI) in 2024 in partnership with the College Board® at the University of Illinois Urbana-Champaign and the University of Illinois Springfield.

The APSI is a College Board-endorsed 30-hour training program for high school teachers. The U of I System APSIs are designed for new AP teachers or those AP teachers with minimal training from school districts with AP Exam Participation of less than 20 percent. The U of I APSIs will focus on these subjects: English Language & Composition, English Literature & Composition, U.S. History, and

Psychology (UIUC location only). Teachers may earn up to 30 hours of professional development through the Illinois State Board of Education upon successful completion.

**The U of I System will cover the full cost of tuition\* for those teachers from school districts with AP Exam Participation of less than 20 percent.** If you are interested in one of our AP Summer Institutes or would like to see if your district qualifies for free tuition, email us at [UillinoisAPSI@uillinois.edu](mailto:UillinoisAPSI@uillinois.edu). Once registration opens, early in 2024, we will notify you on how to register. Note: a refundable deposit will be required to reserve a place in the APSI. **Spots are limited.** Other Illinois teachers are welcome to participate at the tuition rates noted below.

## CLASS INFORMATION

### University of Illinois Springfield

**Address:** One University Plaza, Springfield, IL 62703
