PLEASE NOTE:
Payment for administrative appointments, held by faculty who request a sabbatical leave, will end on the day before the leave begins.

Full disclosure of any outside paid activity during a sabbatical leave is required. This includes consulting activities. Faculty who receive salary from a federal grant during a sabbatical leave must meet the commitment of effort to the grant during the sabbatical period and any outside consulting should be arranged so as not to conflict with the federal effort commitment. Remember to update your annual Report of Non-University Activity forms per campus procedures.

Faculty must remain in full-time service to the University for at least one year following return from a sabbatical leave. If this obligation is not fulfilled, the faculty member or his/her new employer must reimburse the University for the salary paid during the leave.

Upon completion of the sabbatical leave, faculty must submit a report on their sabbatical activities; please refer to campus guidelines for details of this requirement.

I have read and understand the policy on sabbatical leaves of absence. I agree to adhere to the policy as it is written. If this sabbatical plan changes in any way, I will notify my unit immediately and may be required to submit a revised application.
